Experience

Internship with Local Projects LLC, New York, NY. Summer, 2007.

A company creating new interactive environments for museums and memorials, including the upcoming 9/11 Memorial Museum. My work there was focused on a SMS text tour for the Statue of Liberty island, and NYC's interactive memory map, CityOfMemory.org.

Head TA for Video Game Design at Summer Expression Sessions, Minneapolis, MN.

Worked with youth students to learn concepts of interactivity, and taught the technical skills to bring their ideas to life in a computer game. Summer, 2008.

Technical

Very confident in gallery and outdoor installation process.

Fluent working with electronics, programming, and user-interface software, Processing, Flash, Director, Max/MSP/Jitter, Arduino, IPAC.

Well versed in the language of music theory and composition.

Experienced in working creatively with sound production equipment.

Unique skill set facilitating technology-based work in remote locations.
